CERTIFICATE OF INCORPORATION

" SOCIETIES ACT "

CANADA:

PROVINCE OF BRITISH COLUMBIA.

No. 4279.

I HEREBY CERTIFY that "Ebenezer Baptist Church" has this day been incorporated as a Society under the "Societies Act."

The locality in which the operations of the Society will be chiefly carried on is Vancouver, in the Province of British Columbia.

Given under my hand and seal of office at Victoria, Province of British Columbia, this twenty-second day of May, one thousand nine hundred and fifty-three.

[L.S.] S. W. TAYLOR,
Registrar of Companies.

The objects of the Society are:—

(a) To provide for the worship of God, preach and teach the Word of God; to win people to the Lord Jesus Christ; to administer the ordinances of the New Testament; to seek spiritual improvement of its members; to minister to its own community; and to extend the kingdom of Christ in all the earth:

(b) Believing the teachings and practices of the New Testament Baptist Fellowship we pledge to adhere to the following distinctive principles: The Bible, the standard of faith and practice; the Lordship of Jesus Christ; regenerated membership; believer's baptism by immersion; progressive sanctification; soul liberty; separation of church and state; congregational governments:

(c) To believe that the Bible is God's Word, that it was written by men divinely and uniquely inspired, that it is absolutely trustworthy and has supreme authority in all matters of faith and conduct:

(d) To believe in Jesus Christ, God's only begotten Son, conceived of the Holy Spirit, born of the Virgin Mary, sinless in His life making atonement for the sin of the world by His death on the cross; we believe in His bodily resurrection, His ascension into heaven, His high priestly intercession for His people and His personal visible return to the world according to His promise:

(e) To believe in the Holy Spirit who came forth from God to convince the world of sin, of righteousness, and of judgment, and to regenerate, sanctify, and comfort those who believe in Jesus Christ:

(f) To believe in the Church—a living, spiritual body of which Jesus Christ is the Head and of which all regenerated people are members; we believe that a visible church is a company of believers in Jesus Christ, buried with Him in baptism and associated for worship, work, and fellowship; we believe that to these visible churches were committed, for observance, "Till He Come," the ordinances of baptism and the Lord's supper, and that God has laid upon these churches the task of persuading a lost world to accept Jesus Christ as Saviour and to enthrone Him as Lord and Master;

we believe that human betterment and social improvements are inevitable products of the gospel:

(g) To believe that each Church is independent and autonomous and must be free from interference by any ecclesiastical or political authority; that, therefore, church and state must be kept separate as having different functions, each fulfilling its duties free from the dictation or patronage of the other:

(h) Having been led as we believe by the Spirit of God to receive the Lord Jesus Christ as our Saviour, and on the profession of our faith, having been baptized in the name of the Father, and of the Son, and of the Holy Ghost, we do now, in the presence of God, angels, and this assembly most solemnly and joyfully enter into covenant with one another, as one body in Christ; we engage, therefore, by the aid of the Holy Spirit, to walk together in Christian love:

(i) To strive for the advancement of this church in knowledge, holiness, and comfort; to promote its prosperity and spirituality; to sustain its worship, ordinances, discipline, and doctrines; to give it a sacred pre-eminence over all institutions of human origin; to contribute cheerfully and regularly to the support of the ministry, the expense of the church, the relief of the poor, and the spread of the gospel through all nations; we also engage to maintain family and secret devotion; to religiously educate our children; to seek the salvation of our kindred and acquaintances; to walk circumspectly in the world; to be just in our dealings, faithful in our engagements, and exemplary in our deportment; to avoid all tattling, backbiting, and excessive anger, and to be zealous in our efforts to advance the kingdom of our Saviour:

(j) To watch over one another in brotherly love; to remember each other in prayer; to aid each other in sickness and distress; to cultivate Christian sympathy in feeling and courtesy in speech; to be slow to take offense but always ready for reconciliation, and, mindful of the rules of our Saviour, to secure it without delay:

(k) To acquire by purchase, lease, hire, exchange, or otherwise, or to sell or dispose of any real or personal property for the use of the said Society and for the furtherance of its objects.

DEPARTMENT OF FINANCE

"PUBLIC SCHOOLS CONSTRUCTION ACT, 1953"

PURSUANT to section 12 of the "Public Schools Construction Act, 1953," being chapter 33 of the Statutes of British Columbia, 1953, His Honour the Administrator in Council has been pleased to make the following regulations, authorized under Order in Council No. 1219, approved the 23rd day of May, 1953:—

REGULATIONS UNDER THE "PUBLIC SCHOOLS CONSTRUCTION ACT, 1953"

1. In these regulations, unless the context otherwise requires:—

"Act" means the "Public Schools Construction Act, 1953";

"Board" means a Board of School Trustees.

2. The consent of the Lieutenant-Governor in Council to any by-law under the Act shall be obtained before third reading of the by-law.

3. A by-law enacted by a Board under Part I of the Act shall be substantially in the form of Schedule 1.

4. The procedure for presentation of by-laws for the assent of the electors in a school district shall be as follows:—

- (1) The Board shall, wherever possible, arrange that the dates of submitting by-laws for the assent of the electors in municipal or municipal parts of large municipal school districts coincide with the dates of the municipal annual elections. All facilities of the municipalities shall be made available to the Boards for the purpose of submitting the by-laws for the assent of the electors. Actual costs incurred by the municipalities may be levied upon the Board for use of such facilities and shall be accepted by the Board and form part of the by-law expense.
- (2) (a) Before being submitted for the assent of the electors, every by-law shall be approved by the Superintendent of Education, who may, in his discretion and upon consideration of the economic circumstances involved, refuse to grant his approval if he considers that the debt proposed to be created by the by-law should not be so created, in whole or in part, or may, in his discretion and upon like consideration, withhold his approval until the amount proposed to be borrowed is reduced in amount and the terms of the by-law as to repayment or otherwise are altered or amended to his satisfaction and in accordance with his directions. Such approval shall be obtained before third reading of the by-law.

(b) An appeal shall lie from every decision of the Superintendent of Education under clause (a) to the Lieutenant-Governor in Council; and the Lieutenant-Governor in Council shall thereupon hear and determine the matter of the appeal, and may confirm, rescind, or amend the decision of the Super-

intendent, and the determination of the Lieutenant-Governor in Council on the appeal shall be conclusive and binding upon all parties, including the Superintendent.

(c) At least ten clear days before voting-day, the Board shall post in at least three public places and shall publish in at least one issue of a newspaper published or circulated in the school district a copy of the proposed by-law, together with a notice signed by the secretary-treasurer of the Board to the following effect: "Take notice that the above is a true copy of the proposed by-law upon which the vote of the electors will be taken at [place, day, and hour of the day]."

- (3) (a) The Board shall fix the day, hour, and places for taking the votes of the electors on the proposed by-law, which shall not be less than ten and not more than thirty clear days after the passage by the Board of the proposed by-law, and shall name a returning officer who shall appoint such deputy returning officers as may be necessary to take the votes of the electors.

(b) (i) The persons in a rural area entitled to vote on a by-law for raising money upon the credit of a school district shall be such persons as are ratepayers of the rural area in the school district and are British subjects of the full age of twenty-one years, and such corporations as are ratepayers of the rural area in the school district.

(ii) In a municipality the qualifications of electors entitled to vote on a by-law for raising money upon the credit of a school district shall be the same as the qualifications of electors entitled to vote on municipal by-laws for raising money by way of debentures.

(c) The Clerk of each municipality contained in a school district and the Provincial Assessor for the rural area therein shall furnish the secretary-treasurer of the school district concerned with a list of the persons entitled to vote on a money by-law, and the secretary-treasurer shall transmit such list to the returning officer.

- (4) The poll shall be taken by ballot on the question "Yes" or "No," whether the by-law shall be confirmed, and the poll shall be kept open on the day named between eight o'clock in the forenoon and eight o'clock in the afternoon, except in the case of School District No. 39 (Vancouver) where the polls shall close at seven o'clock in the afternoon; and all proceedings thereat and for the purpose thereof shall be conducted as nearly as may be as at a municipal election.
- (5) Any voter offering to vote on the by-law may be required by the returning officer to make a declaration in the form set out in subsection (1) of section 93 of the "Public Schools Act."
- (6) No by-law to which the assent of the electors is necessary shall be valid or have any effect unless the votes polled in favour thereof be at least three-fifths of the total of the votes polled within the school district exclusive of those that have been rejected.
- (7) Every returning officer or deputy returning officer shall, except as provided in subsection (8), immediately after the closing of the polls, open the ballot-box, count the ballots cast for and against the by-law. The returning officer shall openly declare the result, and return the ballots to the secretary-treasurer of the Board with a statement, under oath, substantially in the form of Schedule 2, declaring the result, and stating that it is a true statement of the votes cast.
- (8) If polling on the by-law is not held on the same day in each municipality concerned and in the rural area, the ballot-boxes shall remain sealed and the counting of the bal-

lots shall be deferred in all cases until the close of the poll on the latest day on which polling takes place.

- (9) Every by-law passed by the Board shall be reconsidered not less than one day after the original passage thereof (or, if passed under the authority of Part I of the Act, after it is confirmed by the electors as herein provided), and, if it is adopted by the Board, shall be under the seal of the Board and signed by the chairman of the Board, or by the person legally presiding at the meeting at which the by-law has been finally adopted, and by the secretary-treasurer. Every such by-law shall forthwith be registered in the office of the Superintendent of Education by depositing with the Superintendent of Education an affidavit in the form as set out in Schedule 3, together with a true copy of the by-law, certified by the secretary-treasurer and under the seal of the Board, and such by-law shall take effect and come into force and be binding on all persons as from the date of such registration, or if any subsequent date is by such by-law fixed for the coming into force thereof, then at such subsequent date.

- (10) A resident of the school district or any other person interested in a by-law passed under the Act may make application to the Supreme Court for an order quashing the by-law in whole or in part for illegality, and to such application the provisions of section 61 of the "Public Schools Act" shall apply *mutatis mutandis*.

5. Sections 62, 62A, 62B, and 62C of the "Public Schools Act" shall apply *mutatis mutandis* to a by-law authorized under section 3 of the Act and to the debentures issued thereunder.

6. (1) The Minister may determine from time to time the rates of interest and other terms of issue of debentures under the Act.

(2) A Board may authorize the Minister to act as agent for the Board for the purpose of calling for tenders or otherwise negotiating the sale of any debentures issued by the Board.

(3) All debentures transmitted to the Minister by a Board for Provincial guarantee shall be lodged with the Minister for safe-keeping and transmitted by him on completion to the purchasers in return for payment to the Board.

(4) The Province shall not guarantee the principal or interest of debentures issued under the Act until the sale of the debentures has been approved by the Minister.

7. Whereas section 9 of the Act provides that a Board may by by-law authorize the issue and sale of debentures for moneys that would otherwise have been provided from grants under section 23 of the "Public Schools Act," and otherwise provided from the sale of debentures under relative by-laws approved by the electors, and whereas under section 55 (1) of the "Public Schools Act" the Treasurer of the municipality concerned is required to pay over the proceeds of the sale of debentures from time to time upon the order of the Board to the secretary-treasurer of the School Board, but in the case of the City of Vancouver to the several persons to whom the moneys are payable; therefore, for the purpose of carrying into effect the provisions of the Act according to their true intent it shall be conditions precedent to a Board enacting a by-law under section 9 of the Act that:—

- (1) The Council of each municipality concerned shall by resolution certify to the Board the full detail of all debentures authorized under the authority of relative by-laws and all debentures prepared but unissued and unsold, together with a certified statement of the balance of proceeds of the sale of debentures still remaining to be paid over to the Board, but in the case of the City of Vancouver to the several persons to whom the moneys would be payable.
- (2) The Council of each municipality concerned shall by resolution request that the Board in the by-law enacted authorize the issuance of

debentures in lieu of those prepared but unissued and unsold by the municipality, and, after the consent of the Lieutenant-Governor in Council to the by-law has been obtained, undertake to cancel such municipal debentures. The Municipal Council concerned shall deliver to the Board a certificate to this effect.

(3) The Board concerned shall, by resolution, determine that the by-law enacted shall authorize the issuance of debentures in lieu of those prepared but unissued and unsold by the Board, and, after the consent of the Licutenant-Governor in Council has been obtained, undertake to cancel such School Board debentures.

(4) Prior to the consent of the Lieutenant-Governor in Council to a Board by-law enacted under section 9, every Municipal Council concerned shall have paid over to the Board concerned the balance of the proceeds of the sale of debentures hereinbefore certified, and such payment shall relieve the municipality from any liability to the Board, and in the case of the City of Vancouver to the several persons to whom the moncys would have been payable. Every municipality concerned and every Board concerned shall by affidavit signed by the Mayor or Reeve of the corporation and the Municipal Trcasurer in the case of a municipality, or by the chairman and the secretary-treasurer of the Board in the case of rural areas, respcc-tively, declare that all debentures prepared but unissued and unsold now to be replaced by debentures authorized by the by-law enacted by the Board have been cancelled. The affidavits shall be in accordance with Schedule 4.

8. Whereas section 9 of the Act requires that the Board by-law shall recite the total estimated cost of the school project or projects covered by the relative by-laws heretofore having received the assent of the electors, and whereas relative by-laws heretofore having received the assent of the electors in the City of Vancouver have recited only that portion of the cost of the school project or projects to be raised upon the credit of the city, and whereas certain relative by-laws heretofore having received the assent of the electors in the City of Vancouver have not specifically designated the school project or projects; therefore, for the purpose of carrying into effect the provisions of the Act according to their true intent, it shall be a condition precedent to the Board of School District No. 39 (Vancou-ver) enacting a by-law or by-laws under section 9 that such by-law or by-laws shall recite the specific designation and the gross estimated cost of each of the school projects covered by the relative municipal by-law or by-laws.

9. A by-law enacted by a Board under Part II of the Act shall be substantially in the form of Schedule 5.

10. All debentures issued by Boards under au-thority of the Act shall be substantially in the form of Schedule 6.
